A huge thank you goes to Terry Colling for arranging and to Suzi for helping her decorate for our October Social at the FARM of Janet & Ferrell Wilkerson.

The Wilkerson's were very gracious to host our Friday 13th event. We may have been small in number due to Fall break, but the ones that were there had a really good time. It is always fun to have a more laid back environment to enjoy each other's company. Thank you to the Wilkerson's and to everyone that participated.

With the holidays right around the corner, things are about to get a little hectic for everyone. So mark your calendars for all the Rotary events coming up. Don't forget to continue to think of potential members you may know and remember the categories previous discussed at the meetings. If you think of someone please let Tommy know, but encourage them to attend a meeting with you. Rotary is an amazing organization. Why would someone not want to say they are a ROTARIAN!

See you Wednesday if not before!

Jackie Wilson
