Announcements

This Week's Program District Governor Alec Smythe

DG Alec will be addressing our club this week of the many works happening throughout our Rotary family. Also I hope everyone has RSVP'd about the social on Wednesday night. Lastly, there we will have a Board Meeting immediately following the regular meeting, all board members are encouraged to attend.

DG Alec is very interested in what we have accomplished thus far and what is in store to come.

Don't forget to continue to think of potential members you may know, remember the categories previous discussed at the meetings. If you think of someone please let Tommy know, but encourage them to attend a meeting with you.

Rotary is an amazing organization, why would someone not want to say they are a ROTARIAN!

See you Wednesday if not before!
